PERNILLE CORYDON

A sincere passion for creating small pieces of everyday beauty with a simplistic and distinct touch is the essential behind the jewellery design from Pernille Corydon. Since the founding in Denmark in 2007 Pernille Corydon connects with the Scandinavian simplicity.

The fascination of our surroundings and the strong shapes that can be discovered everywhere, if you allow yourself to discover them, is constantly inspiring us. By embracing nature and capturing shapes the beautiful Pernille Corydon collections come to life.

We believe in telling stories and we want to give our lovely customers the opportunity to express their personality and femininity by wearing our jewellery. When you carry Pernille Corydon design you carry small memories to keep and remember. And the clean language in design makes it easy to combine the pieces as you like.

The jewellery of Pernille Corydon is sold through more than 600 retailers in 20 countries and in cosmopolitans such as Copenhagen, Helsinki, Oslo, Barcelona, Berlin, London, Paris, New York and Tokyo.

OUR STORY

ABOUT PERNILLE CORYDON

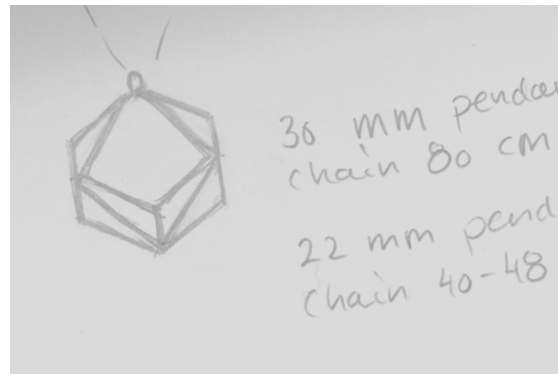

Pernille Corydon herself designs each and every piece of jewellery in her collections. During this design work, she processes the many impressions received in her everyday life and in her journeys and transforms them into shapes and preliminary sketches.

Shapes and sketches are one thing. Structure, materials and colours another. Quite early in the design process, Pernille is already thinking in surfaces, combinations of materials and nuances of colours.

Pernilles drive to create is substantial, and you can be sure that she's always in the process of thinking up something new that will soon become a reality.

These first sketches of the new Icon jewellery was drawn by Pernille on a trip to San Fransisco right after a walk on the Golden Gate Bridge. Pernille was inspired by the characteristic architecture and the iconic shapes and construction.

"My curious mind leads me to discover new places. I don't always remember all that I see, but I do remember icons on my way"

- Pernille Corydon

THE DESIGNER BEHIND

Born in 1976 Pernille Corydon grew up in the small town of Kerteminde on the Danish island of Funen. Pernille Corydon's interest in crafts proved at an early age and through the years her unique talent became more and more evident. In 2007 Pernille Corydon started focusing on designing jewellery, formed and produced by her own hands.

"Creation is my great passion. I constantly see new possibilities and forms. The urge to create has always been a part of me. I find my inspiration in architecture, furniture, nature and in different personalities i meet on my way. I am very observant, and I see details that inspire me everywhere" says Pernille Corydon.

PRACTICAL INFORMATION

MATERIALS

The jewellery of Pernille Corydon is made of pure sterling silver with a minimum millesimal fineness of 925. Some products have precious and semiprecious stones added. In order to protect our customers, the quality of our precious metals is tested by the Danish Assay Office on a regular basis. We care about the health of our customers, so our products contain no nickel.

COLOURS

Depending on each design, up to five different colours are available.

Gold plated:	Sterling silver with a fine layer of gold of at least 18 carats
Rose gold plated:	Sterling silver with a fine layer of gold mixed with copper
Silver:	Sterling silver with a natural untreated surface
Ruthenium:	Sterling silver with a fine layer of ruthenium
Oxidized:	Sterling silver with a beautiful darkened surface

COMMON GROUND

All dark nuanced rings are darkened with a fine layer of ruthenium. All dark nuanced earrings, necklaces and bracelets are oxidized for a dark silver look.

ORDER NUMBER ABBREVIATIONS

The last letters of each product number indicate the colour:

	gp = gold plated
	rgp = rose gold plated
	s = silver
	rut = ruthenium
	oxy = oxidized

□ ペニーレ・コリドンの素材

ジュエリーのカラーは「シルバー」・「ゴールド」・「ローズゴールド」と日本人の肌にもなじみやすく、使いやすい3種類をご用意しています。ジュエリーのベースは全てスターリングシルバー925という素材。銀の含有率92.5%の銀合金で純銀と比較すると加工がしやすく耐久性・強度のバランスがとれているため一般的なアクセサリーに多く使用されています。

<シルバー(スターリングシルバー925)>

銀の含有率92.5%の銀合金。シルバーはしばらく身につけないと空気中の硫化水素と化合し変色します。

普段から柔らかい布で拭くといったお手入れがおすすめ。温泉や硫黄成分を含む入浴剤、化粧品、シャンプー類、塩素系漂白剤は変色の原因となりますのでお避け下さい。

<ゴールド(スターリングシルバー925+メッキ加工)>

スターリングシルバーに金メッキ加工をしています。

研磨剤付きのクロスで磨くと加工がはがれてしまいますので、普段は柔らかい布で拭くといったお手入れがおすすめです。

<ローズゴールド(スターリングシルバー925+メッキ加工)>

スターリングシルバーにローズゴールドのメッキ加工をしています。

研磨剤付きのクロスで磨くと加工がはがれてしまいますので、普段は柔らかい布で拭くといったお手入れがおすすめです。

□ペニーレ・コリドンのリングサイズ

リングサイズの確認は以下をご参考ください。

内径 (mm)	内周 (mm)	参考サイズ
16	50.3	約 9 ~ 10 号
17	53.4	約 11 号
18	56.5	約 14 号

【内径から選ぶ場合】お手持ちのリングの内側の内径(直径)を測ってください

【内周から選ぶ場合】指のもっとも太いところに糸や紙を巻いて1周の長さを測ってください

※リングのデザインによっては個体差により多少サイズが異なる場合があります。

予めご了承ください。
